I submit for orders the enclosed correspondence from the Chief Commandant in which that Officer reports that the Comptroller has objected to pass certain charges authorised by the Chief Commandant for the construction of original works out of the Lines Repair Fund.

The Comptroller bases his objection on para 47 of Mr Blackadder's Manual of instructions where he lays down that the Fund should be used for repairs only.

But under authority of P.W. Secretary's Circular No 67 dated 18th June 1886 the Military Secretary was permitted to sanction and carry out departmentally original works upto Rs 500/- & Repairs upto Rs 1000/-.

As the above Circular order relieves the P.W.D of much unnecessary trouble of undertaking small works I would recommend that the rule in the Manual be revised and altered in the terms of that Circular order.

D.G. Jones Lt Colonel
for Military Assistant

The P.W. Secy's circular only gave certain powers of sanction & did not authorise the Lines repair Fund being used for original works. Further Mr Biddulph's manual is of later date. Information may be furnished as to whether out of the allotment in the P.W.D budget for military works a certain sum is not placed at the disposal of the Military Asst. for original works within his powers of sanction.

Reference:- Dewan's orders on memo No 69 dated 29-8-06.

Resubmitted for orders.

I beg to explain that it has been customary under the authority of the P.W. Circular referred to for the Military Department to carry out original & repair works Departmentally within the limit laid down in the above circular and to meet such charges from the Lines Repair Fund when the allotments in the P.W. Budget for such works is found inadequate.

Hence the Chief Commandant's reason for incurring the expenditure in question which is within his powers of sanction.

The enclosed copy of letter

Dewan's order

The Ch. Engr's letter shows that a sum of 1000 Rs has been placed at the disposal of the Ch. Commdt. for original works, in the Budget of 1906-07. The present bill for 301 Rs may be met out of that amount instead of from the Lines Repair Fund, which should only be utilised for repairs.

Sir,

In forwarding herewith a bill No 8 on Repair Fund for Rs 301-0-0, on account of the cost of constructing a latrine in the Barr Lines at Hassan, returned from the Comptroller with memo No 8 of 16th instant, with the intimation that the Fund is intended to meet only the Repairs and not original

work

works, I have the honor to state that under the authority of the Public Work Secretary's Circular No 67 dated 18th June 1886, the original works up to the limit of Rs 500-0-0 and repairs to the extent of Rs 1000-0-0 were hitherto done departmentally, and charged to Repair & Stable Funds.

As the Comptroller now raises objection to this as per para 47 of Bidulph's Manual in which it is stated that the income of the above two Funds is to be used for repairs to Lines, I request that you will be good enough to arrange for the necessary alteration being made in the manual to the effect

effect that original works to the limit of Rupees 500 — " — " may also be met from the said Funds.
